Dear Dr. Hughes:

I am placing the notice of General Hughes' lecture on "Burns" on the Bulletin Boards and will also send a notice of it to "Varsity", but we are that night having a lecture in Convocation Hall by Dr. Simon Flexner of New York on "The War work of the Rockefeller Institute", and I have already announced that to the members of the staff.

I am,

Yours sincerely,

President.

Dr. James L. Hughes,
Toronto.

James L. Hughes, Esq., LL.D.,

47 Dundonald Street,

Toronto.

Dear Dr. Hughes:

Last year Bishop Hughes preached for us, but he is not on our programme this year. The Methodist representatives have all been chosen and our programme for this year was out long ago, so I think that Bishop Hughes must have been speaking in a vague way having in mind last year. Our arrangements for the spring term also are complete so that there is no likelihood of our having him during the present session.

Yours sincerely,

President.
